AMENDMENT AFTER APEAL
UNDER 37 C.F.R. § 1.116(b)

Dear Examiner:

This is in response to the telephone conference of August 30, 2005 between Examiner Blanchard and the undersigned, Applicant's representative. In the telephone conference, Examiner Blanchard requested an Amendment canceling the claims noted in the Appeal Brief, Section III, last paragraph as being cancelled therein. During review, Applicant also noted in the priority claim an outstanding requirement of an Amendment of form expressly set forth in the final Office Action. This Amendment is responsive to both matters.
